

Thank you for contributing to another outstanding year at the Coalition! Our work in 2014 set the foundation for continued achievement in 2015 and beyond. We were successful in many efforts that helped our members better serve thousands of survivors of gender-based violence. Among many other accomplishments, we advocated for and secured funding for services for survivors of gender-based violence; we created and distributed the first King County Trans* Resource & Referral Guide; we launched a Family Law Toolkit for Survivors on our website; and we provided over one thousand professionals with cross-disciplinary training. We are proud of our accomplishments in 2014, and we look forward to continuing to work with you this year as we approach the launch of the new name and look of the Coalition! Thank you so much for your support.
