Thank you so much for supporting the Coalition in 2013. We had a great year! Thanks to you, we were able to improve the lives of thousands of survivors in King County. Some of our accomplishments are highlighted on the front of this post card. To see our full annual report, visit www.kccadv.org. We look forward to continuing to work with you this year as we formally integrate sexual assault issues into the scope of our work – which means we'll have a new name! Stay tuned!
