

COALITION ENDING GENDER-BASED VIOLENCE

10th Annual Celebration for Change Sponsorship

WHO WE ARE

The Coalition Ending Gender-Based Violence works for gender equity and social justice in King County. We are a membership organization made up of 40 diverse agencies and individuals working together to end domestic and sexual violence. We amplify the voices of survivors and member organizations through: policy advocacy, technical assistance, training and education, collaboration with allied groups, and mobilizing members and the community to work for change.

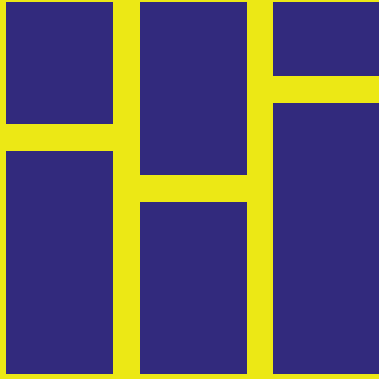

CELEBRATION FOR CHANGE

The Celebration for Change is our single most important annual fundraising event. It provides a space for our community to come together and celebrate the accomplishments of the past year and support important work moving forward. The event also provides audience members with examples of critical progress in ending gender-based violence, and inspires people to work together for gender equity and social justice in King County.

WHY SPONSOR

You can help us celebrate and mobilize the community! Join the extraordinary people in our coalition by sponsoring this important event. You will receive exposure to a wide audience of people from across King County. Over 130 people, including public officials, domestic violence and sexual assault advocates, legal system personnel, and business and community leaders, have attended past events. Plus, it's a ton of fun!

**Together we can create safe and just
communities where all people thrive.**
